7.1.2 Institution has stated policy and procedure for implementation of waste management

Waste Management

Maximum reuse of waste helps to minimize waste. As per the core meaning of the thought, Abhinav Education Society's College of Education is going to instruct all stakeholders, including teaching, and non-teaching staff, including visitors, to take precautions before throwing all kinds of objects in the college premises. All objects and e-waste have impact on the ecology both way, directly and indirectly, so be aware about it and should use the dustbins as per the classification of the waste, so keep waste in the right place as it's place is decided.
