Waste practices

7.1.3 Institution waste management practices include

Under waste management practices, the institution is going to plan the following practices to maintain environmental balance:

- 1. Segregation of waste.**
- 2. E-waste management.**
- 3. Vermi-compost.**

Now a days, all kinds of pollution issues have been raised in Pune city, so the institution has again revised the waste management policy and has started with new practices, so all student and non-teaching staff should be willingly involved in these practices and proceed according to the below directions.

- 1. Always use the dustbins to dispose of waste.**
- 2. Give priority to the reuse of e-waste management.**
- 3. To maintain the balance of nature, use your leisure time to vermi-compost plants.**
