7.1.4 Institution has water management and conservation initiatives in the form of

Water conservations is a need of new Era

The institution is committed to make pure water intake to fulfill the basic need of individuals. Saving water, It's our moral responsibility. Hereby, we guide to all students, teachers, and visitors, including staff, to save the water by following the practices within working hours.

1. Close the unnecessary open tap, if you found.
2. Always observe the condition of taps and flushes.
3. If you find any type of water leakage anywhere, kindly inform the office for necessary action.
