7.1.5 Institution is committed to maintenance of cleanliness, sanitation, green cover and providing a pollution free healthy environment.

Pollution free environment.

The purpose of education is to develop good habits among students. Cleanliness, sanitation, and green cover these things are helpful to reduce pollution level and increase the health of the environment.

So all students, teachers, and staff should aware about it as it is our moral responsibility that maintaining the health and safety as well as pollution free environment with following tips.

1. Maximize the use of bicycles and e-bikes to reach the institutions.
2. Eradicate pollution, save environment.
3. Be a part of solutions but not pollution.
4. No environment no life.
