First Meeting Academic Year 2023-2024

The academic year for second year was started from 28/08/2023. All the curricular activities were planned and implemented effectively.

Every year college conducts value added non-credit courses for B.Ed. students. This year for the second-year students' college has conducted the course named "Empower, Inspire, Lead: Unleashing the Leader in You". The course was conducted from 15th September to 30th September 2023. Total 43 students have benefited from this course.

Orientation of the course 209 was given by course in-charge Mrs Ashwini Kadbane on 09/09/2023. Many activities like Knowing oneself, SWOT analysis, Personality, Group Discussion etc activities were conducted successfully.

First Orientation session was "Knowing Oneself". This was conducted on 16th September 2023. And the resource person was Prof. Dr Prajakta Medhekar. She gave valuable information about how to recognise own strength, how to find alternative options and how to give direction to negative thoughts. Dr Prajakta included following points in the orientation. -1) Know your strength- Under this activity. She told students to tell approximately how many circles they can draw in one minute. Some students drew more circle than expected, while some drew less than expectation. This showed that we should know our strength and should not underestimate our self. -2) The second was, - Find out the option - In this activity, she told one of the student teachers and the 2nd student teacher to hold and make sure that he cannot escape or free himself from their hold, so till the other student do not request to free him. The first

Ambegaon (Bk.), Pune - 411046

student should not free him. He tried himself using physical power to free himself, but he could not succeed. This activity showed that we always have better and easy option to solve any problem or solution. We always thought of critical way, difficult way of solving problem. But in reality, many such situations and problem have been solved by easy option. 3) The third was – “Change your thought- In this activity, she had given students rubber band and explained that whenever they encounter with negative thought in their mind just pull the rubber band, stretch it as much as they can, and then free it. They will get pain which can help to remove their negative thoughts. One body forget sometimes, but our mind does not forget target. Hence it will try to avoid negative thinking. This will definitely help to develop positive attitude in every situation. This is how the first orientation session was concluded with vote of thanks.

SWOT analysis. It was conducted on 20 September 2023. And the source person was Dr Prajakta Medhekar. In this activity, she explained in detail about SWOT analysis, its meaning, objective, its outcome and how to write or draw SWOT in grid format, with the help of PPT. She further explained that SWOT analysis is strategic planning and strategic management technique used to help a person or organisation to identify strength, weakness, opportunities and threats related to business competition or project planning. She mentioned that S stands for strength, w for weakness, O for opportunities, and T for threats.

Second orientation session was about “Personality”. This was conducted on 29th of September. 2023. And the source person was Assist. Prof. Dr Aarti Gangurde. Our whole department had participated in the session. The session started with meditation. She explained about role of people, culture and personality development. She explained different stages of personality that is physical, social, moral, intellectual and spiritual. She also explained how breathing in and out will increase the concentration and focus on one thing. The

Ambegaon (Bk.), Pune - 411046

meditation part was really fruitful and magical experience for our student teachers. The PPT was also shared with our student teachers, highlighting the meaning of personality, types of personality, the traits of personalities, etc. The orientation was mainly focusing on identifying our own personality and of others, also as future student teacher, they should know their student's personality, attitude, so that, accordingly, they can make changes in their teaching style.

Group Discussion -this activity was conducted on 25th September 2023. Students were given various topics to all the groups. And the resource person was Asst. Prof. Ashwini Kadbane and Dr Prajakta Medhekar. Students were divided into groups and topics were given for the discussion. Topics were "Mentoring Mission" and "National education policy. 2020". Our main objective behind for this activity was to enable our students to discuss their point of views, and share the knowledge they have. This was our main motive behind the group discussion activity. They did research, and the group discussion activity was a success.

This course was only Internship. From this student teacher came to know school environment and work. So, we discussed about it with concerned teacher.

Student-teacher has to observe experience teachers lesson in this period so that they understand how to teach, and classroom environment. Various curricular and extracurricular activities were organized in school during internship period. These activities provided with much needed experience. As a future student-teacher individually or in a group organized many activities for students. Students were very happy to participate in all the activities conducted by them. The activities include storytelling, Quiz competition, spelling competition, debates, drawing completion, Extempore, Craft Making, Competition etc. students got nice experience while conducting these activities.

For daily report section students had to note down all the activities and classes they conducted in a day. This helped them to manage time and also to utilize it in other works like observing practical. On last day of our internship the school organized a farewell function in respective school. The student-teachers shared their experiences and gave vote of thanks. The schedule for internship was as follows.

Thus, students came across various activities conducted in school. They learn many things essential for teaching profession. The internship boosts student's confidence to develop teaching skills. It was really good experience for all Second year B.Ed. students.

Under the course 204 Guidance and counselling, there is one practical- 'An interview of school counsellor'. For this practical Assist. Prof. Sayali

For the first year student, college has organised “Interview Strategy Workshop’ on 13th May 2024. Mr.Balaji Rathod and Mr. Tosif Patel from i-Teach Scholl conducted a very interactive session for the preparation of interview and writing of Bio-data or curriculum Vita.

They also orient about body language, confidence, and communication skill. What makes you the best candidate for the position. How to highlight in your achievements, how to make a list of question in advance and its perfect answer. Such different techniques can improve your chance of getting hired. Mr Balaji conducted some live interview sessions of students and showed them the mistakes and correct things which student has to do. Student enjoyed and learns many things from this workshop. Total students get benefited from this workshop.
